Don't miss out on the DPS CRACKER of a Christmas competition!

Is your landlord or agent bursting with Christmas spirit? Perhaps your tenants are full of festive cheer? If so, The Deposit Protection Service is reminding you to get in touch as the countdown begins to the closing date for entries.

With only weeks to go, The DPS Christmas hunt is on for those tenants and landlords who go the extra mile over the holidays. All you need to do is nominate the person you think deserves special recognition and if your entry wins, The DPS will bolster your stocking with an iPod Nano.

Whether it is as simple as a tenant baking mince pies for their landlord or perhaps a landlord helping a tenant to find a place to stay over Christmas, we want to know about it!

Kevin Firth, Director of The DPS, said:

"We all know Christmas is a time for enjoying ourselves, but there are people out there, in our industry, who do all that they can to make sure other people are having a merry Christmas.

"We want to recognise these people and that's why we decided to launch a search for tenants and landlords that demonstrate the true meaning of Christmas, going out of their way to make it special and festive for their respective landlords and tenants."

To nominate someone, simply email The DPS and tell them in no more than 200 words why you think that particular landlord or tenant has the Christmas spirit and deserves to win.

Entries can be submitted to competition@depositprotection.com and should include your name, email address and deposit ID. You can also send photos with your submissions but please read the Terms and Conditions for full details.

Closing date is 3rd January and winners will be announced on 10th January.
